Child Safety Policy

Child Safety Policy

Child Safe Policy

Ilim College has developed this Child Safe Policy as an overarching document that provides key elements of our approach to protecting children from abuse. It forms the foundation of the College's procedures, practices, decision-making processes and ultimately the College's culture with respect to child safety.

The College's Child Safe Policy has been approved and endorsed by the College's School Board and is regularly reviewed by the Board.

Objectives

This Policy provides the framework for:

- ▶ the development of work systems, practices, policies and procedures that promote child protection within the College
- ▶ the creation of a positive and robust child safe culture
- ▶ the promotion and open discussion of child protection issues within the College
- ▶ compliance with all laws, regulations and standards relevant to child protection in Victoria

Statement of Commitment to Child Safety

Ilim College is committed to providing a child safe and child friendly environment, where children and young people are safe and feel safe to actively participate in decisions that affect their lives.

At Ilim College we have a zero tolerance for child abuse and are committed to

acting in children's best interests and keeping them safe from harm. The College regards its child protection responsibilities with the utmost importance and as such, is committed to providing the necessary resources to ensure compliance with all relevant child protection laws and regulations and maintain a child safe culture.

Child Safe Values and Principles

The College's commitment to child safety is based on the following overarching principles that guide the development and

regular review of our work systems, practices, policies and procedures to protect children from abuse.

1. All children have the right to be safe.
2. The welfare and best interests of the child are paramount.
3. The views of the child and a child's privacy must be respected.
4. Clear expectations for appropriate behaviour with children are established in our Child Safe Code of Conduct and Staff and Student Professional Boundaries policy.
5. The safety of children is dependent upon the existence of a child safe culture.
6. Child safety awareness is promoted and openly discussed within our College community.
7. Procedures are in place to screen all staff, Direct Contact Volunteers**, Third Party Contractors and External Education Providers who have direct contact with children.
8. Child safety and protection is everyone's responsibility.

Child Safety Policy

9. Child protection training is mandatory for all School Board members, staff and Direct Contact Volunteers.

10. Procedures for responding to alleged or suspected incidents of child abuse are simple and accessible for all members of the College community.

11. Children from culturally or linguistically diverse backgrounds, Aboriginal or Torres Strait Islander Children and other children who are vulnerable (such as children in out-of-home care or children of diverse sexuality) have the right to special care and support.

12. Children who have any kind of disability have the right to special care and support.
